Hi Luz,

Good to see you yesterday at the Japanese Garden.

Alan, Ellen and I just had a meeting to review the draft questions for the interviews along with the list of names we received from you and Gene. As we were discussing the questions, several big picture questions arose that we would like to discuss with you before we move forward. Are you available to meet? Can you send some dates that are good for you? We can do lunch if that is better.

Thanks so much.

Joanne
